

The 3rd International School on Advanced Materials

Main topic: Materials for Solar Energy

COS'ONE of Ouarzazate, May 02-04, 2023 - Ouarzazate, Morocco

Acknowledgement

Dear Sir / Madam,

The 3rd International School on Advanced Materials (InSAM'3) is over. This is an opportunity to thank the lecturers and all the participants who, through their high-quality presentations and discussions, have fully contributed to the dynamism and success of this scientific event, which took place from 02 to 04 May 2023 at COS'ONE in Ouarzazate.

Your responsive and effective participation, and the enthusiasm you have shown in presenting the results of your research work, through lectures or poster presentations, have made this third edition a real success.

Special thanks go to our guest lecturers:

- Prof. Luis Cadillon Costa, I3N, Physics Department, University of Aveiro, Portugal.
- Prof. Plamen Petkov, University of Chemical Technology and Metallurgy, Sofia, Bulgaria.
- Prof. Tamara Petkova, Bulgarian Academy of Sciences, Sofia, Bulgaria.
- Prof. Marinella Striccoli, NRC, Inst. for Phys. and Chem. Proc., Bari Division, Bari, Italy.
- Dr. Silvia Soreto Teixeira, I3N, Physics Department, University of Aveiro, Portugal.
- Prof. Cyril Popov, University of Kassel, Germany.
- Prof. Hamid Oughaddou, CY Cergy Paris University, France.
- Prof. Thami Ait-Taleb, Polydisciplinary Faculty of Ouarzazate, Ibnou Zohr Univ., Morocco.

- Prof. Mustapha Jouiadn, Univ. of Picardie Jules Verne (UPJV), Amiens, France.
- Prof. Alberto Vomiero, Dep. of Eng. Sci. and Math., Luleå Univ. of Tech., Luleå, Sweden.
- Prof. Mustapha Mabrouki, Sultan Moulay Slimane Univ., Beni-Mellal, Morocco.
- Prof. Abdelkader Outzourhit, Cadi Ayyad University, Marrakesh, Morocco.

who responded to our invitation despite their very busy schedules. We thank them for their contribution to the scientific quality of the school and their participation in this event, thus giving it an internationally renowned scientific dimension.

We would like to especially thank the members of the organizing committee who have done a very hard work, discreet, vigilant and efficient, in particular Prof. Yassine Darmane, Dr. Dris Ait El Haj, Dr. Souad Touairi, Dr. Ilham Bouknaitir and Dr. Najoia Aribou, as well as our PhD students Mr. Said Amounas, Mr. Abdellah Hbab, Mr. Lahcen Ait Lamine, Ms. Fatima Zahra Aoujil and Mr. Ayoube Baalla for their contribution to the good organization of the school, their availability, their involvement and their human qualities at all levels, organizational, logistical and scientific.

We also sincerely thank the Dean of the Faculty of Science and Technology of Beni-Mellal as well as the Executive Committee of ISyDMA and Draa Association for Renewable Energies for their involvement in the organization of this scientific event, without forgetting to strongly thank the local authorities of Ouarzatate and the regional authorities of Draa-Tafilalet, as well as all our sponsors for their contribution to the success of this manifestation.

Finally, we express our thanks to all the participants who, after all, make up the event. It was a great pleasure to see so many of you attending this three-day meeting and we sincerely hope to be able to work with you in the near future by reiterating our thanks to each and every one of you for seeing you again during our next edition: InSAM'4 which will take place next year in Ait-Melloul, Morocco.

Prof. Mohamed Essaid Achour

Prof. Mustapha Mabrouki
